

Motor Vehicle SPA Pocket Card

Trip Start Time: 6:45AM (typical)
From: Broomall PA to West Point PA
Travel Route: PA turnpike (typically, unless
conditions demand otherwise).

Weather Conditions:

Conditions will vary. Will adjust
travel time, driving to accommodate.

Passenger/Material Concerns:

Currently carrying laptop in case in car. Will
ensure this is safely stored each day.

Vehicle Check/Familiarity:

Typically, using Jeep Cherokee. Will ensure
proper operations.

Other Potential Hazards:

Will typically check traffic conditions on-line before
leaving to plan arrival. Will review fundamentals on
page 2 of this card.

Date: 12/7/09

Signatures:

Robert P. Calvert

Driving Fundamentals

- Pre-plan route before driving
- Driving training current?
- Walk around vehicle to check condition of tires and note visible issues
- Confirm all materials carried with passengers are properly secured
- All passengers must use seat belts
- Eliminate distractions
- Limit backing – make your first move forward
- Mobile phone use is prohibited
- Maintain following distance of 3-4 seconds while traveling
- Verify clear intersections
- For safe stopping distance, view rear tires of vehicle ahead of you
- Act defensively – expect the unexpected
